Get Connected—E- Mail

President, Karen Wampler’s theme for the Trotwood Chamber this year is to “Get Connected.” Your Chamber will endeavor to do its part in staying connected to members and the Trotwood Community by communicating information to you as quickly as possible. One avenue, and one of the most effective ways, to stay connected to our members is via e-mail. We are asking members to share their e-mail address with us. Send your e-mail to trotwoodchamber@earthlink.net. by April 23, 2007. Our membership list is on our website, if you do not want your email listed on our website, please let us know.

700 Connect At Expo

Over 700 residents got connected with Trotwood businesses and organizations at the Trotwood Community Expo and Taste of Trotwood March 7th.

“The event rose to a new level this year,” said Executive Director Marie Battle. “Several vendors and visitors commented that they appreciated having more time to spend with each other.” The event provided an image boost for the community, positive advertising, and live television remote broadcast with Channel 2’s Jim Bucher the morning of the event.

The Verizon DSL/Internet display was a big hit as were some great food samples this year.

Organizers would like to hear feedback. Please call Bruce Kettelle at 837-6401 or e-mail him at theebyfarm@compuserve.com, or the Chamber at trotwoodchamber@earthlink.net. We look forward to an even better event in 2008!
