OhioBWC - Employer: (Safety and Hygiene Consulting Services)
Safety, ergonomics and industrial hygiene consulting services

BWC's safety, industrial hygiene and ergonomics specialists can visit your workplace or consult with you by telephone and/or email to assist your business in the development of effective injury and illness prevention strategies. BWC provides all of its consultative services at no additional cost.

Industrial safety consultation - Assessments and advice related to machine guarding, electrical safety, lockout/tagout, powered industrial trucks, cranes and hoists, welding, slips/trips/falls and other workplace hazards.

Construction safety consultation - Assessments and advice related to trenching/excavation, scaffolding, crane safety, fall protection, electrical safety, tools and equipment, vehicular traffic and other jobsite hazards.

Ergonomics consultation – Assessments and advice related to manual material handling, lifting, pushing, pulling and carrying tasks, repetitive hand-intensive work, sedentary work, awkward work postures and other physical stressors.

Industrial hygiene consultation – Assessments of airborne contaminants, noise levels, hearing protection programs, respiratory protection programs and thermal stress along with advice on how to reduce employee exposures.

Our consultants also can assist you with understanding the eligibility requirements and application for Safety Intervention Grants (SIG). The SIG program is designed to assist businesses with the purchase of tools and equipment that significantly reduce or eliminate hazards and/or exposure to hazards.

Other services our consultants can provide include:

- Safety management assessments and advice;
- Safety, industrial hygiene and ergonomics training development;
- Safety and health program development and documentation assistance;
- Safety culture assessment and behavior change process assistance;
- Safety team/committee development and enhancement.

Our goal is to provide you with the knowledge, tools and resources you need to address the unique hazards in your workplace and keep your employees safe and healthy. If you are an Ohio employer, you can take advantage of injury prevention services by requesting them online or contacting your local customer service office for assistance. We also offer specialized safety and health compliance assistance services for public (government) employers through the Public Employment Risk Reduction Program and for small to medium employers in high hazard industries through the OSHA On-Site Consultation Program

Introducing the NextPlan™iQ Chamber Communications Toolkit

SOUTHERN OHIO CHAMBER ALLIANCE In June, we introduced a new benefit to our SOCA members called NextPlan™iQ.
Delivering Value to Chamber Membership. NextPlan™iQ is a health plan advisor for individuals and families that researches and reviews an individual's health plan options to find coverage that fits their budget and needs – all at no cost to them.

NextPlan™iQ has developed content for our Chamber members to use in weekly and monthly communications to their members. Please be sure to visit the following link to begin including this important benefit information in your communications today.

Chamber Connection

August 18, 2015, Brookville, Huber Heights, Northmont and Trotwood Chambers hosted a forum on the pros and cons of the proposed Ohio Marijuana Amendment and how it could or could not affect businesses. There were over 60 in attendance... pictures of attendees are below.

Congratulations to Trotwood's VFW Post 4270

The Veterans of Foreign Wars Post Wesley Willis Memorial 4270 recently received the annual All-State Award from the VFW of Ohio. This award was given to posts through out Ohio for their achievements set forth by the State Commander of Ohio. It includes goals in membership, community activities and work helping fellow veterans.

In addition, the post also received the All-American Award from the VFW National for the work the post has done through-out the past year. It also includes the work we have done with our community, and our work with veterans and their families. Post 4270 was instrumental in helping with the cost of the McNight Funeral and starting a fund for her son Adian. The post also helped a local veteran and his family with their DPL bill during the winter months.

The post members and the auxiliary members are not only committed to the well being of all veterans, but to the city and schools of Trotwood as well. The long term goal of the post is to be a important part of the future growth of our community.
