Volume 11 Issue 3

Northern Chamber Coalition hosted and sponsored a Terrorism TSA Workshop March 9 at Dayton International Airport. There were 50 in attendance.

To expedite screening at the airport, TSA is offering a program that makes passenger risk assessment prior to their arrival at an airport checkpoint. With this program you do not have to remove shoes, belts, 3-1-1 compliance bag, light jacket/outerwear or laptop from bag. U.S. Citizens and lawful permanent residents can apply for TSA Pre expedited screening. The fee for this program is \$85 for five years. To apply for TSA Prescreening, visit [tsa.gov](http://tsa.gov).

## Be Prepared for Severe Spring Weather

### Know Your Risk

Check [weather.gov](http://weather.gov) every morning. It is a simple action that will ensure that you're ready for the day's weather. Don't leave home without knowing the forecast.

### Be Prepared

Assemble an [emergency supplies kit](#) with 72 hours worth of food and water. In an emergency (such as after a tornado or some other natural hazard event), you may be stuck at home without electricity for three days or more. Make sure that you're prepared. Also, ensure that everyone in your life knows how to stay in touch with an [emergency communication plan](#). This plan lists meeting places and alternate ways of communicating in case of emergency.

Established through the centuries as a symbol of purity, grace, and the regal lifestyle, the white lily is a suitable reminder of the greater meaning of Easter. These flowers grace millions of homes and churches every year, embodying joy, hope, and life; whether given as a gift or displayed proudly in one's home, the [Easter lily](#) remains a beautiful reminder of how Easter is a time for celebration and rejoicing. So when you purchase Easter baskets for your loved ones, don't hold back with decorated eggs and chocolates, but be certain to include a few Easter lilies as well!

## Important BWC Update

### Good News for Ohio Employers Operating in other States!

The **BWC** has announced a new workers' compensation coverage option to eligible Ohio business for their employees who work in other states. Effective March 1st, employers can apply for the new coverage through policies issued by the **BWC** through a program with United States Insurance Services (USIS) and Zurich Insurance. Eligible candidates for the new coverage program must have the majority of their business in Ohio.

Interested employers will apply directly to the BWC who will in turn, determine eligibility and the premium cost for the optional coverage. The **BWC** will issue a Zurich policy to cover out-of-state exposures and Zurich will respond to any claims filed out of state.

To learn more or to apply, visit [bwc.ohio.gov](http://bwc.ohio.gov).

“Goals—There’s no telling what you can do when you get inspired by them. There’s no telling what you can do when you believe in them. There’s no telling what will happen when you act upon them.” - Jim Rohn
