Reporting your OSHA 300A electronically has never been easier! Hunter is your NEW OSHA reporting Application

Beginning in 2017, all establishments with 250 or more employees are required to electronically submit injury and illness information from OSHA Form 300 (OSHA Log), Form 300A (log summary), and Form 301 (injury/illness incident) by July 1st, 2017. Hunter Consulting Company has developed a simple and intuitive web based application to assist our clients in meeting these new OSHA reporting requirements. And as a client of Hunter Consulting, your Workers' Compensation claims data will automatically be included in the OSHA log records.

For more information, simply visit [www.hunterconsulting.com](http://www.hunterconsulting.com) and click on the 'OSHA REPORTING' tab. You can also contact Brandon or Ross Hunter directly for additional information or to schedule a demo.

Can you imagine receiving a 66% rebate of your premium for the policy year ending June 30, 2016? If so, then get ready because the BWC is bringing a **BILLION BACK!**

A proposal will go before the BWC Board of Directors for a first read on March 15, then will have a second read and be approved by its board on April 28th. **If approved**, the BWC expects to begin sending checks in early JULY!

(Private employers in the group-retro program will have their rebate amount calculated and paid following the 12-month premium calculation scheduled to occur in October of 2017.)

Both private and public employer taxing districts that pay into the State Insurance Fund are eligible for the rebate

Keep a close eye on the BWC's website for more detailed information about the third **BILLION BACK!**
