Member Focus

NEW YORK PIZZERIA was originally established in 2005. In 2010, the current owner, Oguz Celik, purchased the business and immediately became a member of the Trotwood Chamber of Commerce.

Over the last 7 years, improvements were made, including more up-to-date kitchen equipment, carpet and paint.

New York Pizzeria prides itself in offering high quality ingredients, such as genuine mozzarella cheese, using only fresh chicken wings (never frozen), and fresh locally purchased produce when available.

More importantly, all dough for pizza, pita, calzones, and Stromboli are made fresh from scratch daily. (Many competitors use dough that is frozen and bought from food suppliers). Vegetables are also bought fresh and cut in the kitchen. The house dressing and coleslaw also are made fresh from scratch. Coupons are inside our menus every day.

New York Pizzeria strives to produce the best products and deliciousness possible, and appreciates all our loyal customers.

Everyone is welcome, and there is a small party room available for meetings, birthday parties, etc.

NYP enjoys supporting the community in many ways. Visit our website at: nypizza@trotwood.com. Phone 937 837 3333 or 937 529 0674

What Christmas Mean to Me

To me Christmas means a time to reflect on family, friends, health and happiness. It is a time to appreciate the many blessing we have enjoyed, including the liberties we are so fortunate to have.

It is not about gifts or what we may get, but about love, caring and sharing with others. It is about showing appreciation to those that have helped us along the way, whether they are your immediate family, co-works, church family or friends. It is about remembering those that are no longer with us and how they influenced us to make a difference in the world in which we live.

This year my husband and I have been taking care of a great niece and nephew after school, that have made a major difference in our lives. They are teaching us how to be more compassionate, less selfish, more loving, caring and listen (even when we do not want to), to say I love you more often and give more "hugs".

May you and your family have a wonderful holiday season.

Brandon Hunter talks about Group-Retropective-Rating

Brandon Hunter talks about

What is Group-Retro? Group Retropective-Rating is a voluntary based incentive program that offers an alternative to the traditional Group- Experience-Rating. Employers enrolled in Group-Retro pay their full State Fund premiums and have an opportunity to receive retrospective premium adjustments tied to the performance of the group. Groups are made up of employers who share similar industry.

Depending on the performance of the group, employers could either receive a refund or potentially be assessed for additional premium. This program incentivizes employers to manage their safety and risk management well so the group can perform at a high level and maximize returns.

The groups are reviewed over three years following the policy year with the refund and/or assessments being cumulative.
