Attendees Business After 5
Wednesday, April 26, 2017

What a beautiful night at the extraordinary Force-Sports Center in Trotwood, Ohio, as more than twenty community and business leaders came together to learn more about this unique, multi-faceted indoor sports facility from the Center's talented and enthusiastic, young Manager Caroline Kessler.

With six such facilities spread across the Cleveland metropolitan area, we are so excited to have Force-Sports as a new "force" in our community and to have them recognized by all of the night's

dignitaries, including our Honorable Mayor Mary A. McDonald, Chamber President Bethany Yost and others. North Dayton School of Discovery/National Heritage Academy was proud and excited to partner with Force Sports, the City and the Chamber to support this great networking event!
