Mission: To work with businesses, government, the non-profit sector, and individuals to build a positive economic environment to ensure and enhance quality of life in Trotwood and the region.

This has been a very difficult year for Trotwood Chamber and the businesses in our community; however, we can see light at the end of the tunnel after the EF 4 Tornado came through our community. There were so many businesses that worked hard to restore our community after the tornado; therefore, it is difficult to focus on one business. Your dedication and support have been amazing and words cannot express our sincere thanks to all of you.

Our prayer is that you have a *Happy Holiday Season* and a happy and prosperous *New Year*.

November 14, 2018, the Dayton Business Journal
recognized Robinson's Janitorial & Floor Care in two
areas—Minority Business of the Year and Rookie
Business of the Year They were finalist in both cate-
gories. Our sincere congratulations to Robinson Jani-
torial for receiving this prestigious recognition.

Winter Safety Tips from Trotwood Fire Department.

1. Clean snow from around fire hydrants to allow fire fighters better access.
2. Make sure your house address number remain visible and are not blocked by snow.
3. When driving, make sure to leave room for emergency vehicles to pass-go-right for sirens and lights.
4. Check on the elderly friends and neighbors.
5. Dress appropriately when outside.
6. Have a winter emergency kit inside your car.
7. Only shovel snow if you are medically and physically able.
8. Make sure you have working smoke alarms.

Was your home damaged or destroyed by the
tornadoes? You can get \$20,000 to repair or rebuild.

While we have access to this funding for several
years from the Federal Home Loan Bank of Cin-
cinnati, the money DOES NOT roll over. This year, we
have more than \$1 million left in the bucket for these
grants. If someone applies it locks in the \$20,000 for
us. That means we just need to get 50 people to start
an application for these \$20,000 grants and we can
lock in \$1 million for use in our community this year.
