Time is quickly approaching for our annual golf outing scheduled for September 10, 2021 at Meadowbrook Golf Course. We are thankful to those that have committed to sponsor and participate in our golf outing... City of Trotwood, Miami Valley Hospital North, Shiloh Springs Care Center, SOCA, and Trotwood-Madison Educational Association. You still have time to donate, sponsor or participate. Call the Chamber at 937-837-1484, [mbattle@trotwoodchamber.org](mailto:mbattle@trotwoodchamber.org), [mbattle@woh.rr.com](mailto:mbattle@woh.rr.com). or visit our website at [www.trotwoodchamber.org](http://www.trotwoodchamber.org). A registration form is also in the newsletter.

Sometimes we become so busy that we fail to acknowledge or show appreciation to others. In reading a recent Daily Devotional, I came across an interesting article and I want to share some of it with you. "We appreciate what a person does but we affirm who a person is. Appreciation comes and goes because it's usually related to someone's accomplishment, but affirmation goes right to the heart of a person because it is directed at that person's individual worth. "

Do we take the time to say thank you or I appreciate what you are doing to help move this company forward?

The person Trotwood Chamber would like to thank and encourage is our **President, Sean Freeman**. We truly appreciate you for all you are doing and continue to do to move our Chamber forward.

Marie Battle, CAP, Executive Director

Trotwood Chamber's First in-person BING (Business Informational Networking Group) Mixer since the pandemic, was at Arcani Coil Care Manufacturing Facility in Trotwood Wednesday, August 11. There were over 20 in attendance. Our special thanks to Arcani Coil Care for hosting this event, Miami Valley Hospital, Sam's Club and Winn's Enterprises for sponsoring this event. Also, President Sean Freeman for doing an excellent job organizing and presenting this event.

RE: Group-Rating Safety Accountability for

Dear Employer:

Each year Ohio employers have the opportunity to participate in BWC's Group-Experience-Rating Program or Group-Retrospective-Rating Program. While these programs are not required, they do provide you with an opportunity to significantly reduce your workers' compensation premiums, while increasing your awareness of safety and risk-management strategies.

Workplace safety is an important component of these programs. To succeed in accident prevention, we encourage you to use the many resources available to you. We believe a group-rating program is a partnership that includes you and your employees, your sponsoring organization or third-party administrator (TPA) and BWC. Each has specific roles and responsibilities, all designed to assist in preventing workplace accidents. This letter outlines the safety services expectations you should have as an employer enrolled in a group-rating program.

**The employer will:**

- Maintain a safe workplace;
- Attend safety training to enhance workplace safety
- Use BWC's safety services as needed
- Fulfill the required two-hour training requirement and provide proof of attendance to sponsor for claim(s) occurring within the last year

**The certified primary and affiliated sponsoring organizations will:**

- Sponsor eight hours of safety training (this may be done at one time or may be provided incrementally as long as the total is at least eight hours);
- Provide information regarding safety resources to group members;
- Possibly assist an employer in achieving its safety needs;
- Manage employer fulfillment of the two-hour training requirement, where applicable; • Publish this letter to group members.

**The TPA may:**

- Assist sponsoring organizations with fulfilling the group-rating safety requirements;
- Assist an employer with its safety needs;
- Work in conjunction with sponsors to develop safety training and deliver safety resources
- Provide resources for claims handling.

**BWC will:**

- Monitor all group-rating safety activities to confirm requirements are met;
- Remain in communication with sponsoring organizations to provide recommendations for fulfilling safety requirements
- Provide safety training through Ohio's Center for Occupational Safety & Health
- Offer on-site safety consultation (hazard assessments, air and noise monitoring, ergonomics evaluation, training) by a BWC safety professional
- Offer publications and videos for safety program support; • Conduct employer visits to confirm the employer is meeting group-rating requirements, when appropriate.

The goal of this collaborative effort is to make sure all your safety needs are met. Using these resources will assist you in preventing accidents, reducing claims costs and achieving the highest discounts possible. Below you'll find contact information for various resources.
